

Let's Talk Form-Based Code, Hough!

scan
me!

Join us for refreshments and an informational presentation on the new draft of Form-Based Code.

At this workshop, we are looking for **community feedback!**

More info can be found at:
thelandcode.com

Navigate to the "Hough" section for a site-specific map and details!

Refresher!

What is a Form-Based Code?

A Form-Based Code is a new approach to zoning with an increased focus on **walkability**, **predictability** and **mixed-use development**.
