LEGISLATION

Cleveland City Planning Commission

PREAMBLE

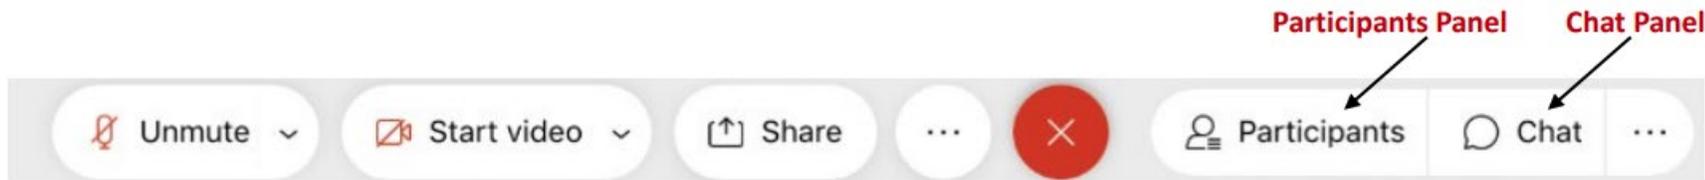

In compliance with notification requirements of Ohio's open meeting law and section 101.021 of the Codified Ordinances of Cleveland, Ohio, 1976, notice of this meeting has been publicly posted.

All boards and commissions under the purview of the City Planning department conduct their meetings in a manner modeled after Robert's Rules of Order. Actions during the meeting will be taken by voice vote. Recusals from any vote due to a conflict of interest should be stated for the record prior to the taking of any vote.

In order to ensure that everyone participating in the meeting has the opportunity to be heard, we ask that online participants use the raise hand feature before asking a question or making a comment. The raise hand feature can be found in the participants panel on the desktop and mobile version and activated by clicking the hand icon. Please wait for the Chair or facilitator to recognize you and be sure to select unmute and announce yourself before you speak. When finished speaking, please lower your hand by clicking on the raise hand icon again and mute your microphone.

We will also be utilizing the chat feature to communicate with participants. The chat feature can be activated by clicking the chat button located on the bottom of the Webex screen.

CALL-IN USERS CAN UNMUTE BY USING *6

PREAMBLE

All meeting activity is being recorded via the Webex platform.

These proceedings are also being live streamed via YouTube.

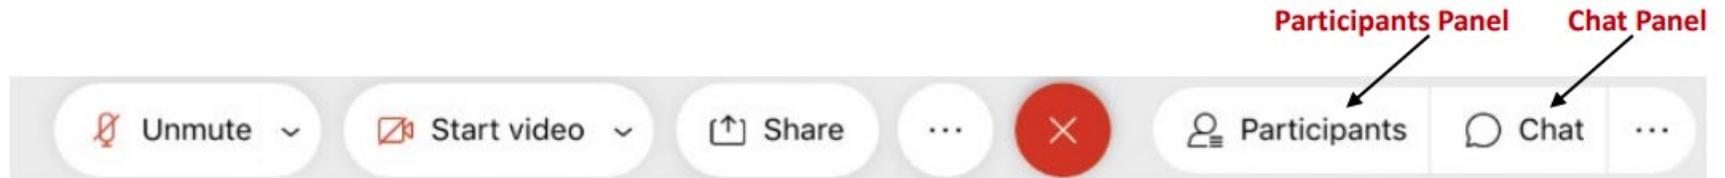

All requests to speak on a particular matter submitted through proper channels have been considered. We have also received emails from those who have provided written comment on a particular matter. Proper channels for comments are listed below.

Communication with members of this body must follow proper channels for consideration.

Any comments received by the **Wednesday 12:00 pm** deadline are collected by City Planning staff and disseminated to the Commission members prior to any scheduled meeting.

Proper channels for public comment:

- Sending an e-mail to the cityplanning@clevelandohio.gov address with a comment or a letter
- Calling and/or leaving a message at 216-664-2210
- Sending a letter or dropping off comments at City Hall (601 Lakeside Avenue, Suite 501, Cleveland, OH 44114)

Meeting Rules and Procedures

- The Chair will call each agenda item and then each applicant will be invited to proceed through their presentation.
- Each presentation should be completed prior to questions and comments from the Commission in order to facilitate a smooth presentation.
- Once the presentation has concluded, the Chair will ask Planning staff to summarize Design Review Advisory Committee recommendations (if applicable) and any public comments received.
- Public comments received through the proper channels by the deadline are distributed to Commission members prior to the meeting. Staff will also identify any members of the public present and scheduled to speak.
- Public comment is allowed at the discretion of the Chair and any individual providing public comment is permitted two (2) minutes to speak to the agenda item in which they have an interest.
- The Chair will then request a recommendation from staff, if applicable.
- The Commission will then begin deliberations and project review.
- Any Commission member, except the Chair, may make a motion at any point after an agenda item has been called.

Ward 14 - City of Cleveland - 2014

 = Residential Facilities in Ward 14  = Proposed Facility

 Ward Boundaries

INTENT OF RESIDENTIAL CARE FACILITY:

- To provide a safe and comfortable home for individuals that have mental health diagnosis and need placement.
- Many facilities are being shut down and licenses revoked due to unsafe living conditions and mistreatments of residents.
- A good quality home will prevent residents from going back to the streets. Residents in my facilities will ALWAYS get the proper support they need.
- Friends and families of residents will have peace of mind that they are in a great home and they are safe.

IDEAL LOCATION:

- Facility would be located on a main street with less neighbors as opposed to a side street.
- Bus lines 18, 25, and 71 are all within walking distance for residents; Sav-Way Food Mart, Dollar General, Dave's Market, several gas stations are also all within walking distance.
- There will be employment opportunities for locals.
- This facility would support local businesses through outings/catering from local restaurants.
- Location is ideal for case managers from all agencies with highway access right down the street.

SERVICES THAT WILL BE PROVIDED:

- Administering of medications- meds will always be supervised; all meds will be centrally locked and secured with only staff having access.
- There will be 24/7 staffing to ensure state rules are met.
- Residents will go through an interview process to ensure they are a good fit for the home.
- Three (3) nutritious meals a day with snacks in between meals.
- Laundry services for all residents on a weekly basis.
- Cable, Wi-Fi, and streaming services will be provided to all residents.
- Monthly outings such as bowling, movies, golden corral, cookouts, etc.
- Added safety and security measures such as security cameras and monitored fire alarm system.

St. Clair Superior is a diverse **community** in many respects like ethnicities, cultures, land-use, industry types, etc - and a community with many assets - its people, landmarks, and Lake Erie.

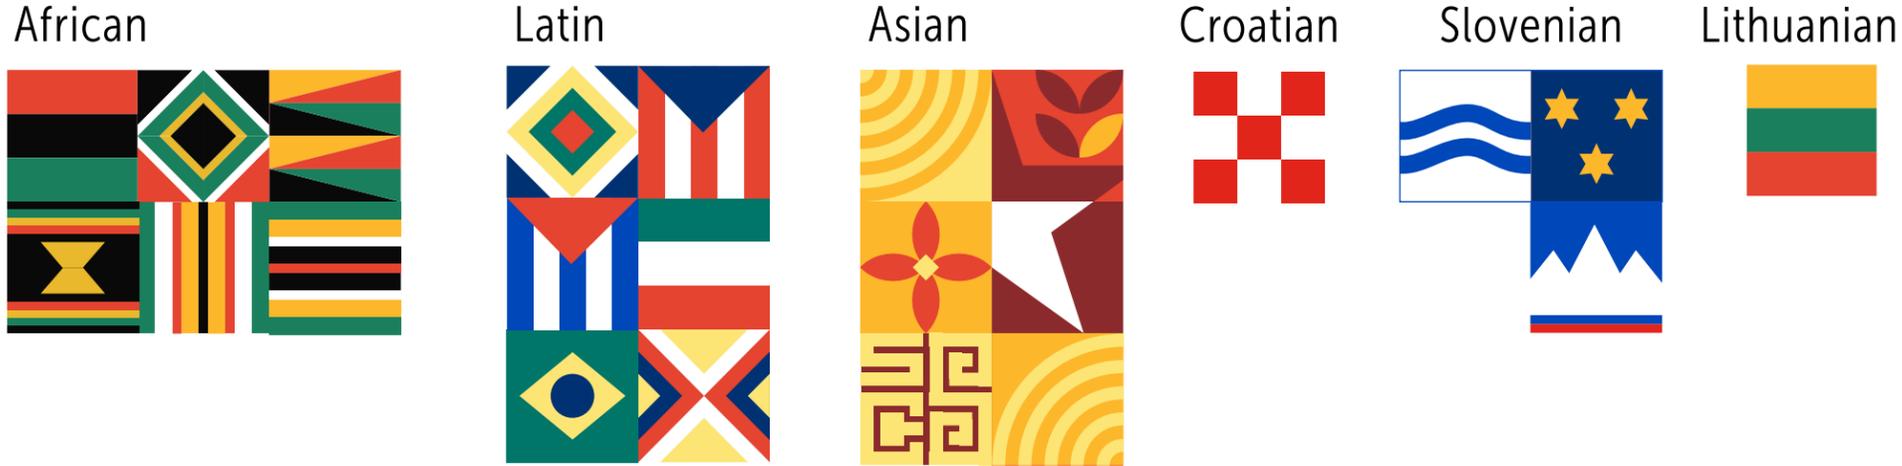

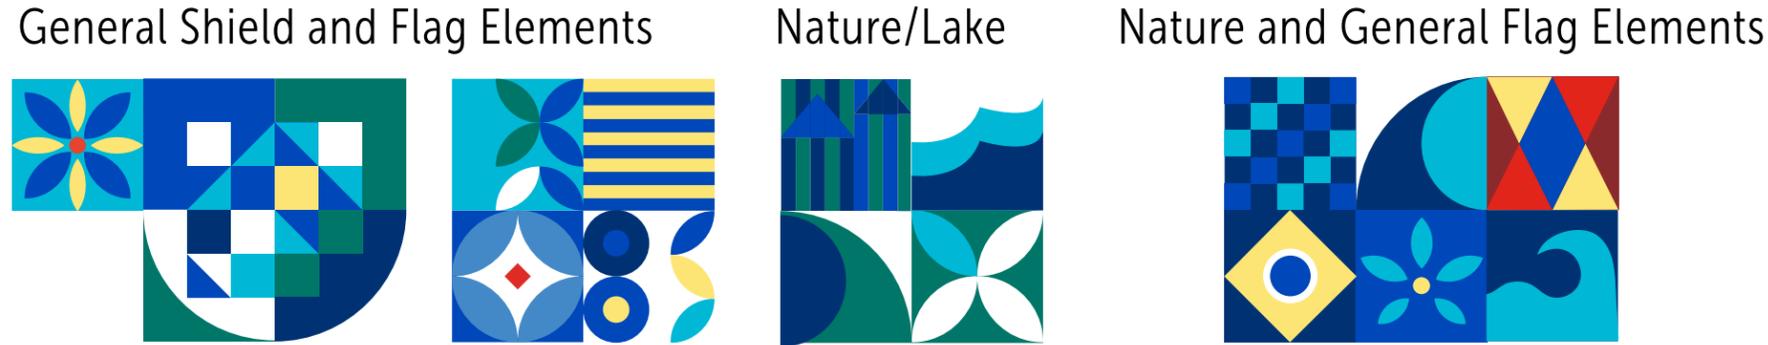

The pattern is intended to **represent the diversity and assets of the community.**

SCSDC and Guide Studio assembled advisors and gathered data over the past year to create the mosaic that is **both figurative and literal** in depicting elements and cultures existing in the St. Clair Superior service area.

WALLICK

Opening doors to homes, opportunity, and hope.

DEVELOPMENT • CONSTRUCTION • AFFORDABLE HOUSING • SENIOR LIVING

OUR CAPABILITIES

DEVELOPMENT

From site selection to acquisition to design to financing, Wallick leverages decades of expertise, partnerships and know-how to turn concepts into communities.

CONSTRUCTION

From new construction to renovations to historic preservation, Wallick builds peace of mind into every multi-family home and senior-living community.

PROPERTY MANAGEMENT

From financial performance to site inspections to compliance to reporting, Wallick optimizes the day-to-day operations to maximize results, minimize turnover and improve efficiencies.

ASSET MANAGEMENT

From maximizing cash flow to restructuring debt to providing resident services, Wallick protects, preserves and promotes performance, stability and sustainability.

OUR PRESENCE

Affordable Housing, Workforce Housing and Senior Living redefined – at Wallick, it's all in a day's work.

From site selection to acquisition to design to financing, Wallick leverages decades of expertise, partnerships and know-how to turn plans into communities.

And because our portfolio of development projects dates back to 1969, Wallick is one of the most experienced developers of housing for low-income families, middle-income families and seniors in the country.

*Values-Driven. Value-Added.
Redefining the Standard.*

June 27, 2025

NEDRAC gave conceptual approval with conditions on 6/18/25:

- Investigate the grading of the site (take sections of the site to see the scale of things).
 - Celebrate the wall with murals to activate the space and make it more inviting.
 - Explore plantings in the small space to make it inviting.
 - Consider wrapping the seating on the porch around the corner and adding seating on the West end.

Proposal

Applicant occupying 629 Euclid Ave is proposing three business identification wall signs.

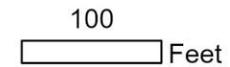

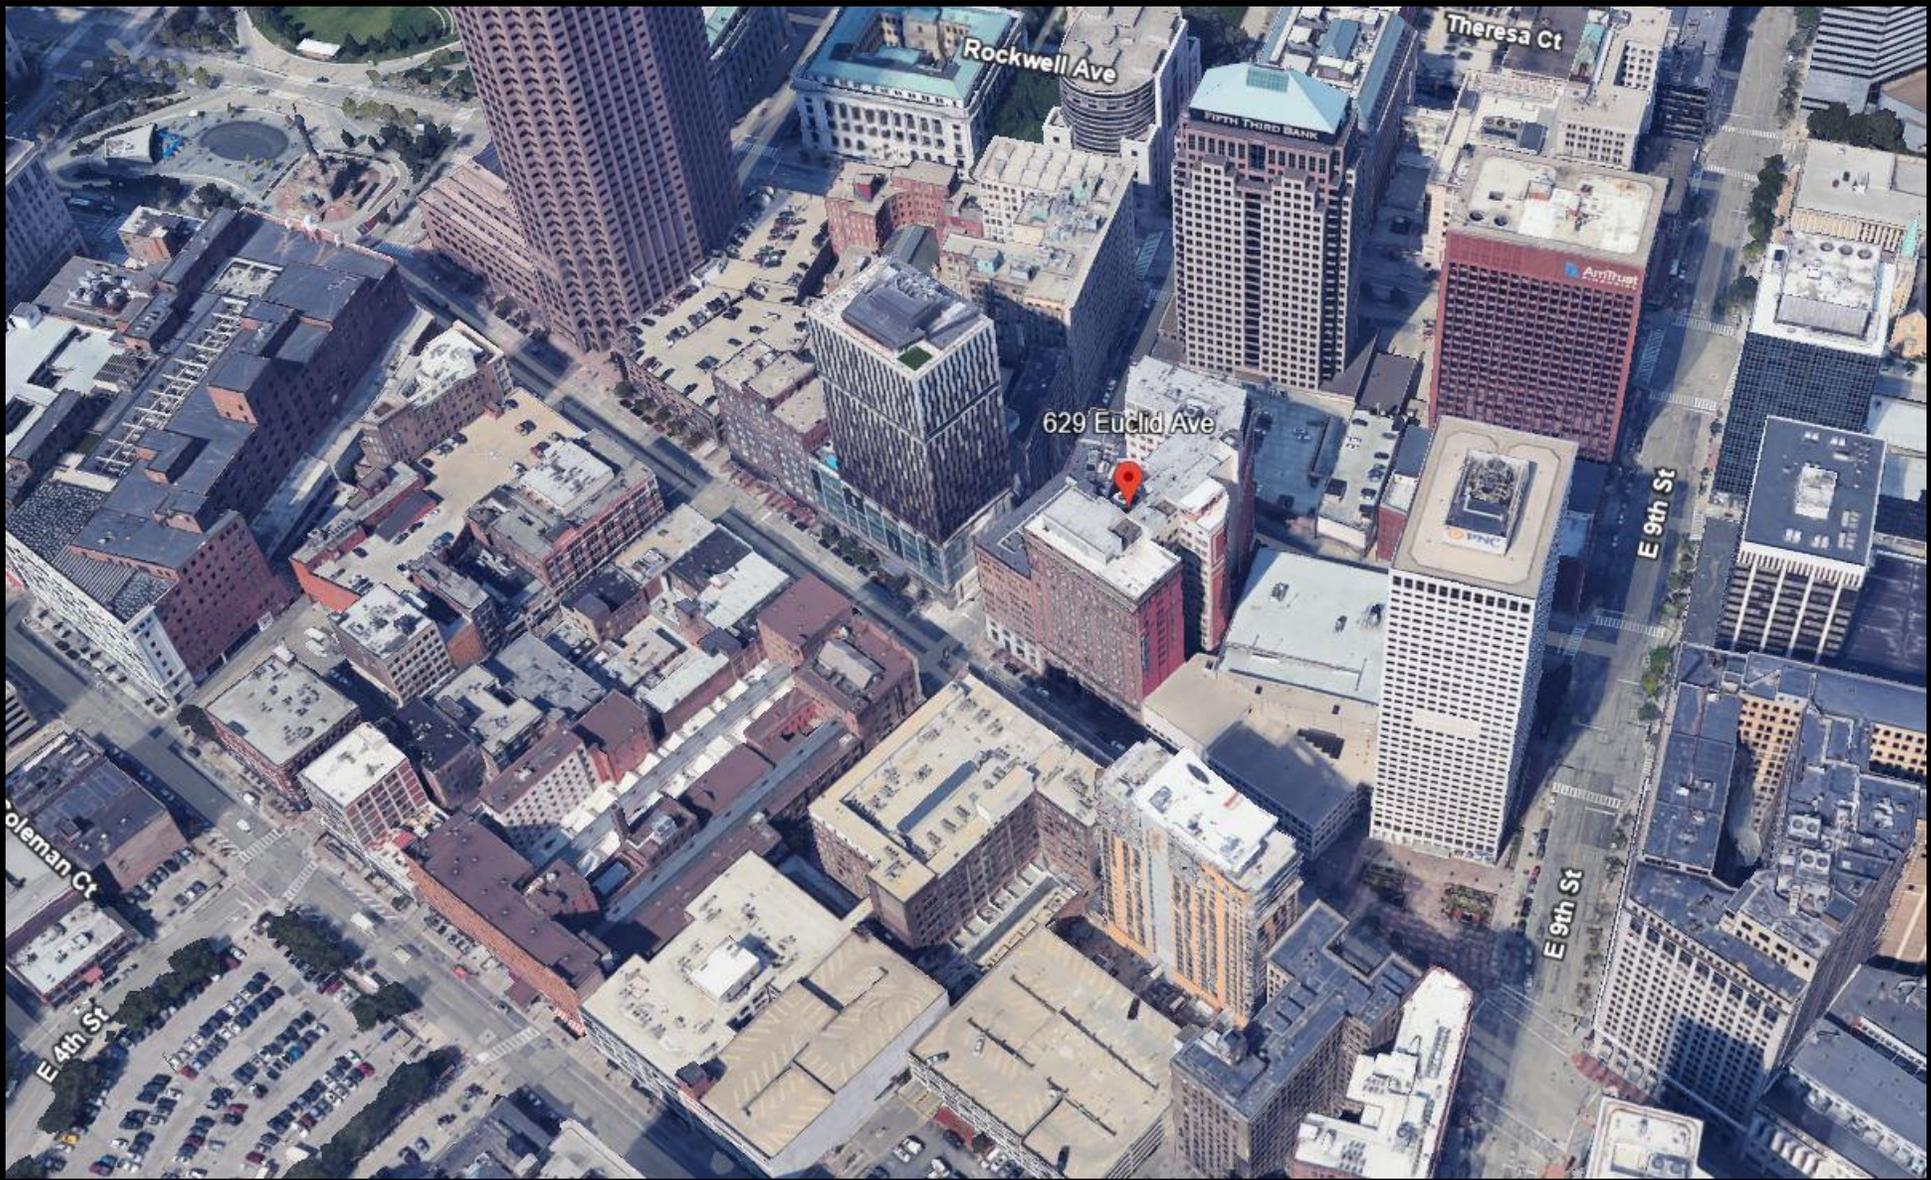

Existing Zoning

General Retail Business
Zoning District

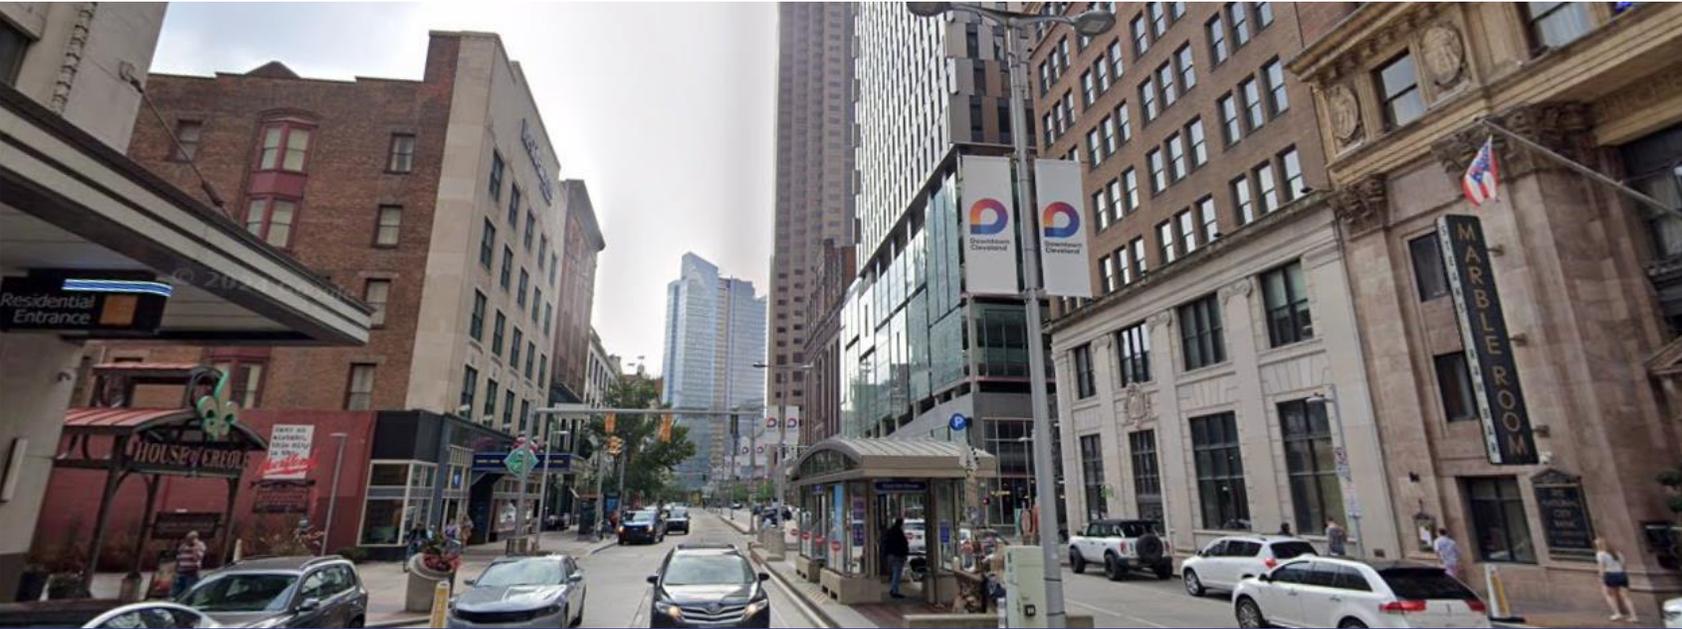

629 Euclid Ave
AC Marriott Hotel

Euclid Ave
Eastern View

Euclid Ave
Western View

Why City Planning Commission?

- §350.16 gives City Planning Commission the jurisdiction to vary the Sign Code to either more strict or less strict regulations than what §350 requires based on a specific set of criteria: (*Administrative approval does not apply*)
 - **Design Compatibility:** may vary only if such variation will result in signage which is better suited to the design of the subject property or nearby properties of architectural or historic significance
 - **Design Guidelines:** any variation from regulations shall be approved only in accordance with applicable design guidelines adopted by CPC & City Council
 - **Minimum Variation:** Any variation shall be the **MINIMUM** necessary to ensure design compatibility
-

Variances Required

Business Identification Projecting Blade Sign:

- **137.5 sf max permitted for projecting signs.**
 - **Proposing 148.9 sq.ft.**
 - **Require variance for 11.4 sq.ft.**

Signage Represents
18.4 sq.ft.

Signage Represents
12.5 sq.ft.

Signage Represents
118 sq.ft.

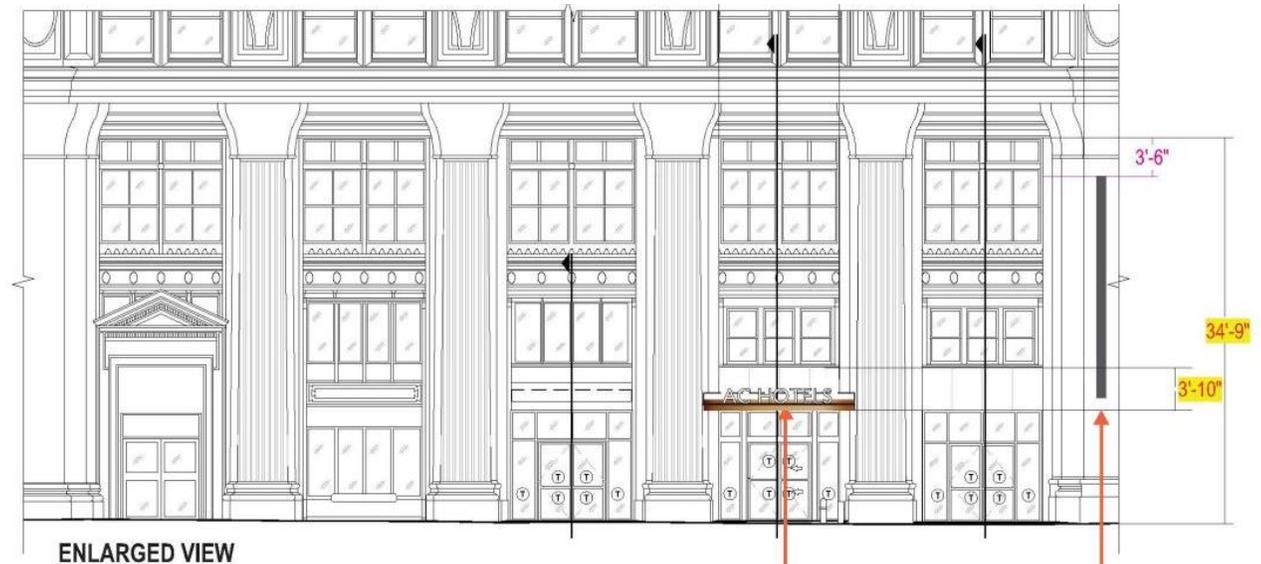

Considerations

- ❖ Does this result in signage that is better suited to the design of the subject property or nearby properties? (*Design Compatibility*)
- ❖ Does this result in signage that follows CPC's standard of *approved design guidelines*?
- ❖ **Are these variances the *minimum necessary* to ensure design compatibility with surrounding properties and residential neighbors?**

The image shows the exterior of a building with a classical architectural style, featuring large, fluted columns. A sign above the entrance reads "AC HOTELS". The entrance is partially covered by a dark awning. In the foreground, there are some plants and a few people standing near the entrance. The overall scene is dimly lit, suggesting dusk or dawn.

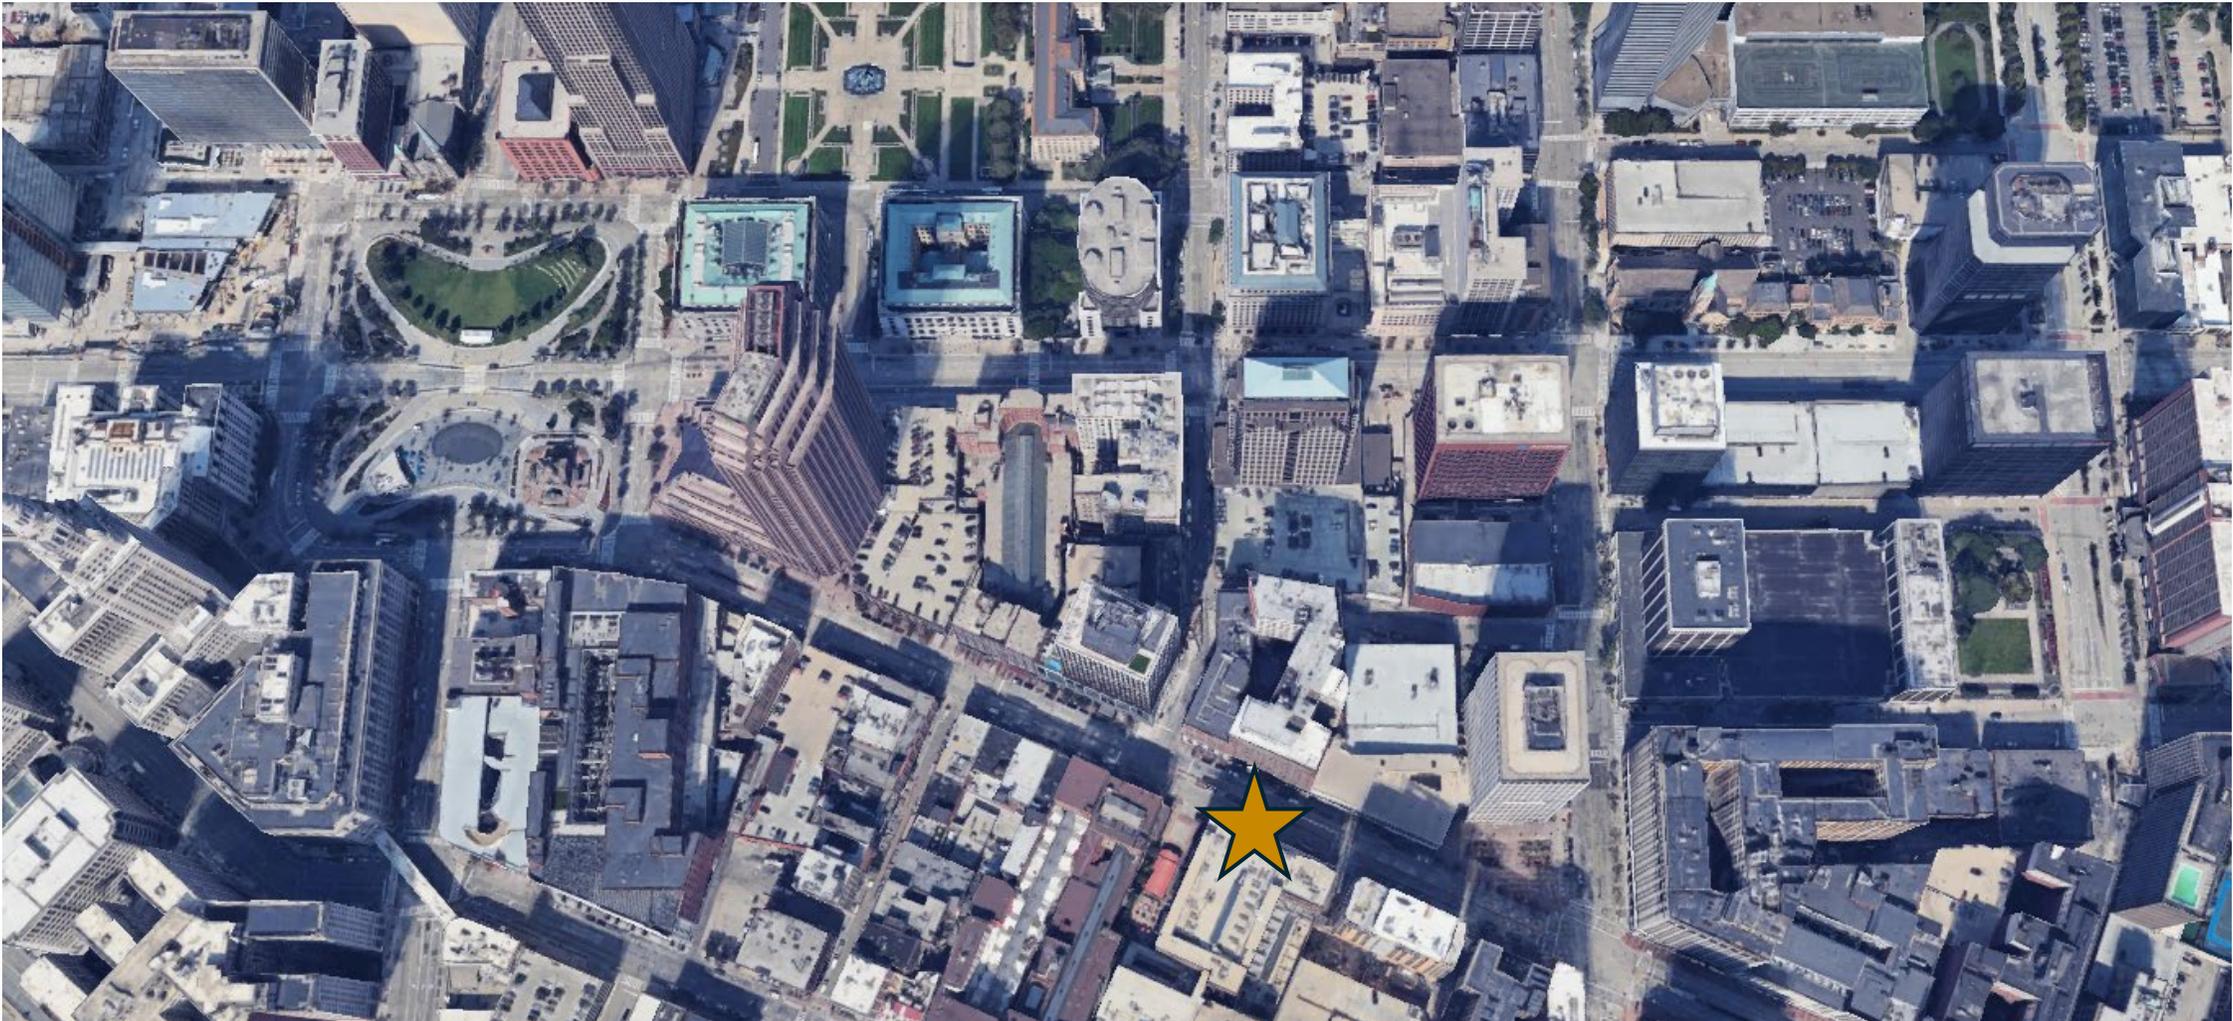

AC HOTELS

AC Marriott Conversation

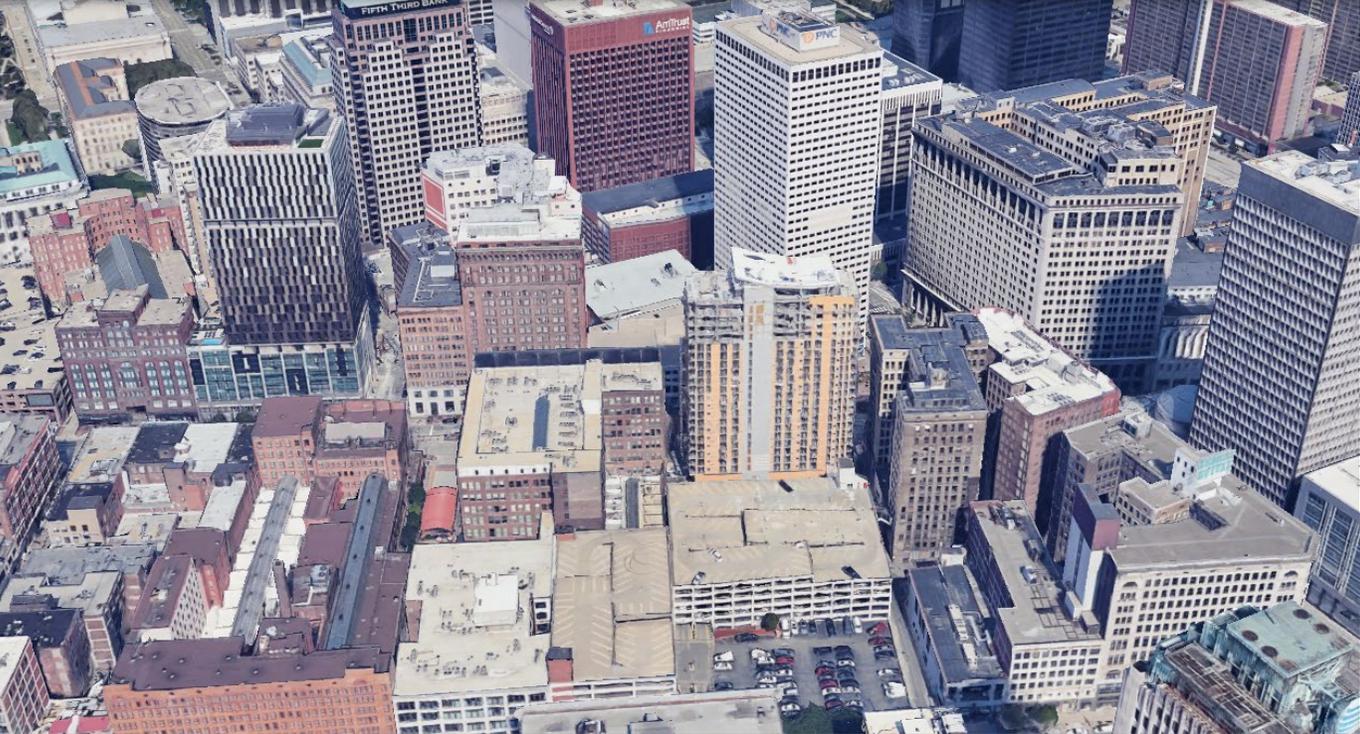

Project Summary

- We are proposing to convert the Holiday Inn Express located at 629 Euclid Avenue into an AC Marriott hotel. This work will mostly involve interior modifications.
- Work scope will include the renovation of the ground floor into a grand lobby for the hotel. 1st floor and mezz dining serves will be relocated to the ground floor, and a new kitchen will be provided in the former restaurant space. A new bar will be provided in the lobby space as well.
- As a part of this renovation, a new front entry way will be added on Euclid Avenue, centered on the building, in the location as the original entrance.

Why City Planning Commission?

- §350.16 gives City Planning Commission the jurisdiction to vary the Sign Code to either more strict or less strict regulations than what §350 requires based on a specific set of criteria: (*Administrative approval does not apply*)
 - **Design Compatibility:** may vary only if such variation will result in signage which is better suited to the design of the subject property or nearby properties of architectural or historic significance
 - **Design Guidelines:** any variation from regulations shall be approved only in accordance with applicable design guidelines adopted by CPC & City Council
 - **Minimum Variation:** Any variation shall be the **MINIMUM** necessary to ensure design compatibility
-

Variances Required

Business Identification Window Sign:

- 25% max permitted for each façade
- Temporary real estate signage limited to 1 year
 - **Proposing 1,991 sq.ft.**
 - **Require variance for exceeding 25% of window area.**

Design - Lacy Talley

Design Rendering

Artist Statement- Lacy Talley

I chose to highlight Hub-Bub Record Shop & Realty Co., Cafe Tia Juana, and the Judge Jean Murrell Capers Tennis Courts. After doing some research and speaking with my grandparents (my grandmother remembers going to Cafe Tia Juana!), I decided to include an archived Cleveland Call and Post sign and my alma mater, Glenville High School, as a nod to the current culture!

To evoke the "Sounds of the Gold Coast," my mural features a vinyl record-shaped portal that transports viewers back to the sounds and spirit of the area's historical tunes and former businesses. A piano pathway emerges from this portal, starting from the past business Hub-Bub Record Shop & Realty Co., and then guiding the eye toward the present-day Judge Jean Murrell Capers Tennis Courts and Glenville High School. At the heart of the image, a jazz band energizes the scene from an elevated, revolving stage, positioned within Cafe Tia Juana's iconic four-leaf clover-shaped bar.

Playhouse Square Artwalls – Final Approval

E. 13th Street (North of Euclid Avenue)

Playhouse Square is seeking to implement quick-win public art projects to be completed in 2025. The goal of these projects is to connect patrons and the public to the Playhouse Square District's northern campus by highlighting Playhouse Square and bolstering the brand in an area of the campus that is not directly synonymous with Playhouse Square.

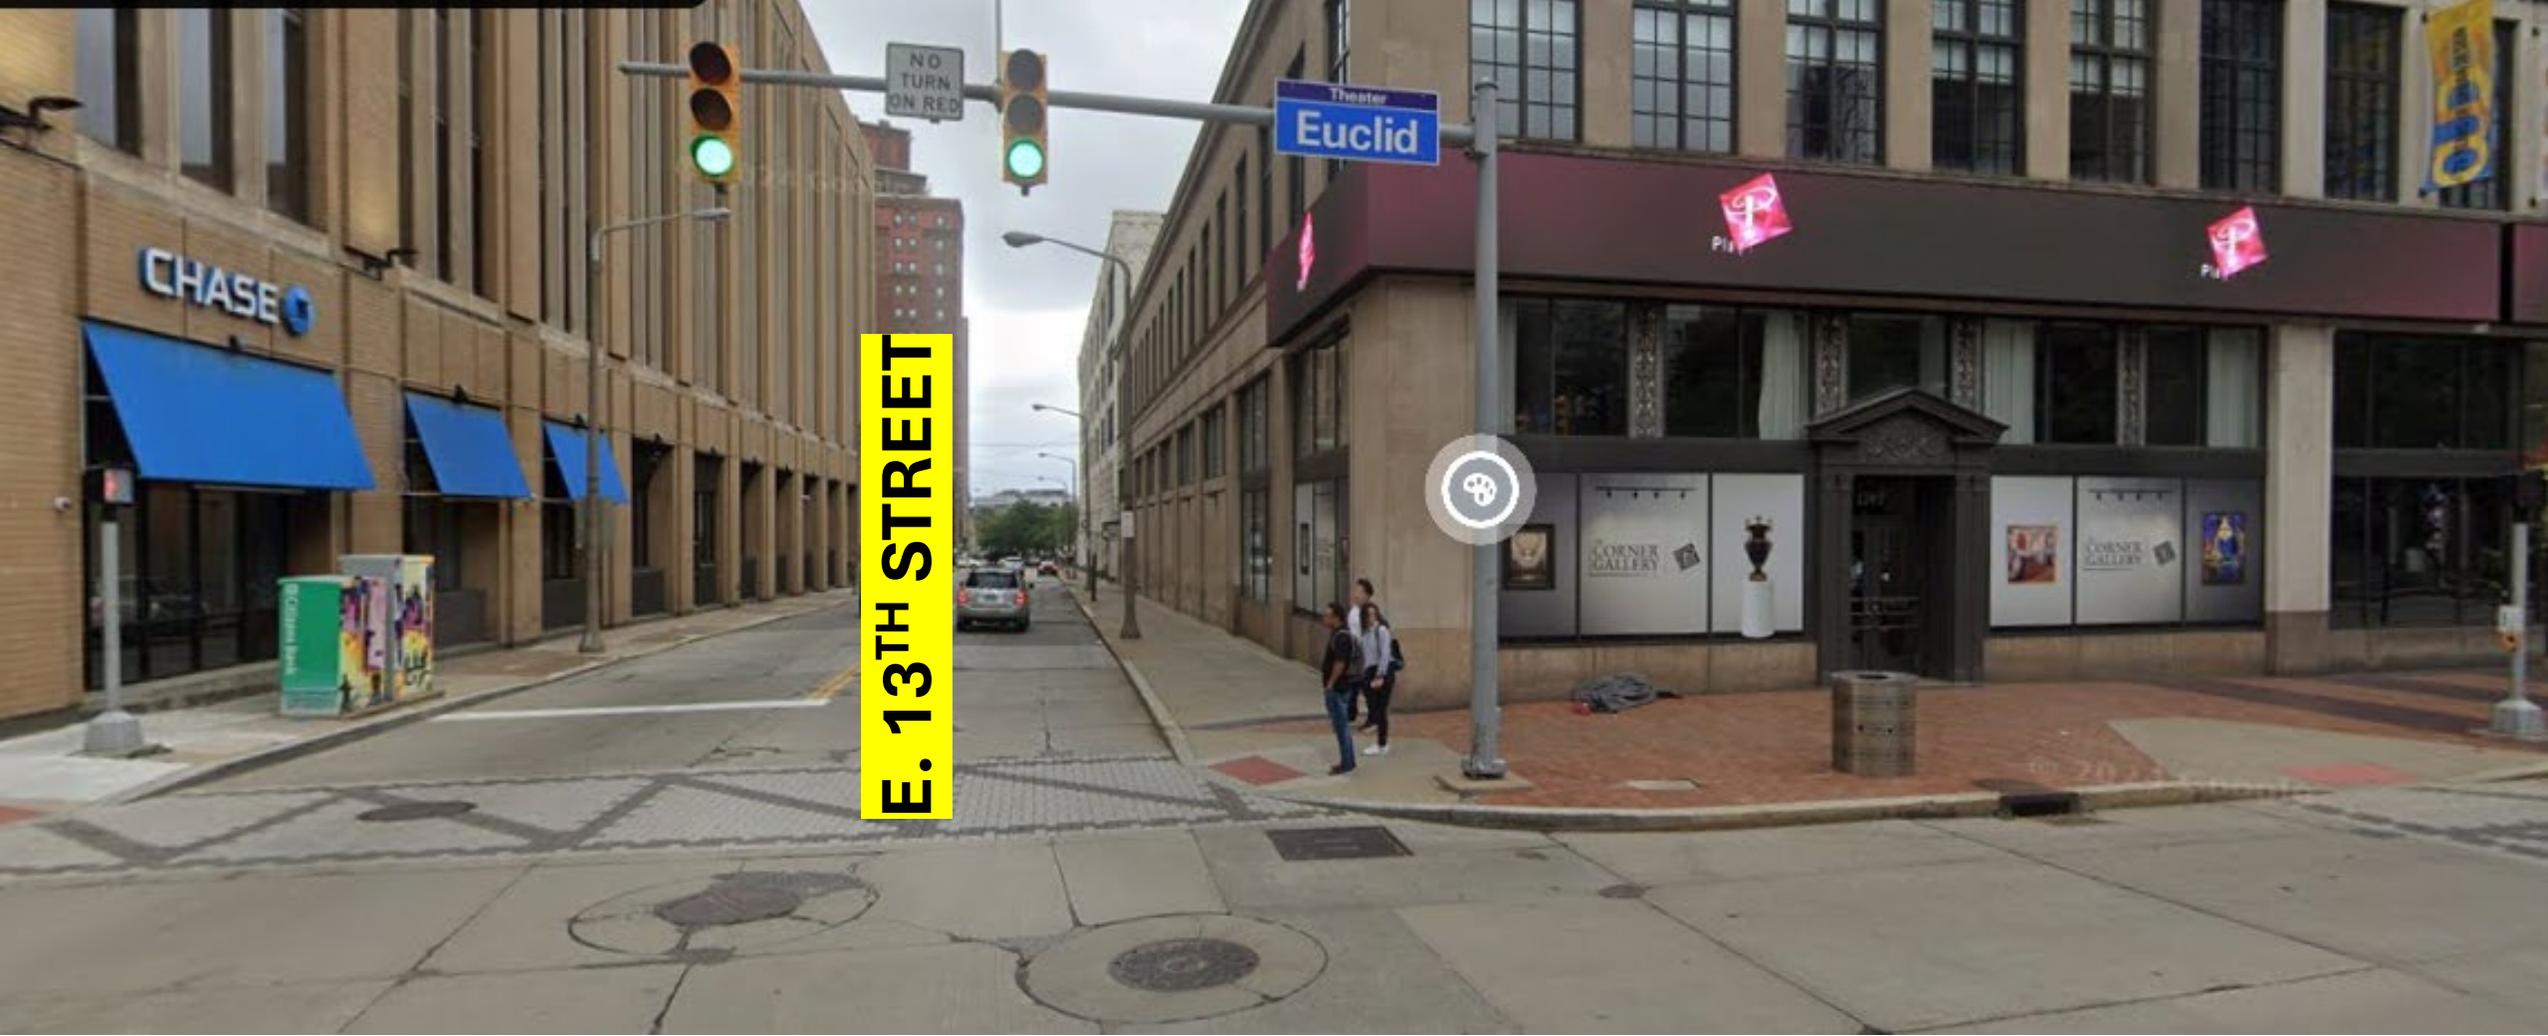

The artwalls presented are meant to rotate over time to include more public art. Playhouse Square would be working with partners like CSU School of Art, etc. to help provide artwork in the future.

Artwall Framing System

- The system consists of an aluminum extrusion that is heavy duty and non-corrosive which the installer miters like a picture frame.
- The system would be attached to the wall with Tapcon anchor screws designed for concrete.
- The vinyl banner is stretched into place with heavy duty nylon locking strips which are hammered into the groove of the extrusion. This pulls the entire surface taught and makes it durable in windy conditions.
