Affiliation: Hubbell & Benes

Biography:

W. Dominick Benes was born in Prague, Austrian Empire and was ethnically Bohemian. His family immigrated to America in 1866, first settling in Chicago and then moving to Cleveland. He was educated in the public schools of Prague and Cleveland. He went to work for his uncle, architect Jon V. Benes of Chicago. After returning to Cleveland he worked for Andrew Mitermiller from 1873 to 1876. He went on to work for the firm of Coburn and Barnum. He later became a partner in the firm of Coburn, Barnum & Benes that eventually became Coburn, Barnum, Benes & Hubbell. After Forrest Coburn's death, Hubbell and Benes formed their own partnership. He was Jephtha H. Wade III's personal architect. He designed the interior of the Wade yacht, and the music room of the Wade home at Euclid and East 40th Street. That relationship eventually led to the commissions for the Wade Memorial Chapel at Lakeview Cemetery, the Wade Residences in the Wade Allotment and Gates Mills, and the Cleveland Museum of Art. He retired to an estate on North Miles Road overlooking the Chagrin River Valley where he devoted himself to his hobby of flower culture. He died in the Cleveland Clinic and was cremated.
